

ZROC QUARTERLY NEWSLETTER

JANUARY 2025 ISSUE# 3

BOARD

**President – Lee Bivens, VP – Shelby Wofford, VP
Membership – Shane Bradfield, VP Communications – Brian
Bivens, VP Finance – Ernie Lawson, VP Dealer Relations –
Tom Marshall, Member at Large – Scottie Wappenstein**

President's Message – Happy New Year fellow ZROC members. Hope everyone had a fun and safe new year so far. Well, by now we are only about 9ish weeks away from the start of SPRING! Soon it will be time to awake the Zs from hibernation and enjoy a new driving season. I know that I can't wait to see my Z back in my garage. Also, with the Rolex 24-hour race starting in about 4 days the 2025 racing season is upon us as well. Plus, the OSU Buckeyes just capped off the 2024 season by winning the National Championship so all is well in Ohio right now. **HAPPY READING & HOPE TO Z YOU AT THE NEXT CLUB EVENT!!**

Last Quarters Events

OCTOBER

Hocking Hills Drive – One of the club's more popular drive events. Had a great turn out and a fun drive.

Huber Fall Cruise-In – Huber Automotive is one of the club's good friends. Dave holds a cruise-in event each spring and fall and some of the club members come out to show their cars and see all the other cool ones that show up.

NOVEMBER

End of Year Meeting – We held our annual end of year meeting at Carsonie's (great pizza and calzone's) and had a really good turn out. Scottie Wappenstein was presented with the Member-of-the-Year award for all the great work he does throughout the year promoting the club through his attendance at the numerous car shows, driving events and rallies held around the Columbus area, not only by ZROC, but by other clubs/organizations as well. THANKS SCOTTIE for your dedication to ZROC.

Club member Russell Bailey and his brother-in-law found and rescued a 72 240 and plan to restore it. Russell already has a 71 240 and also a 300ZX TT. Best Wishes guys...

DECEMBER

Christmas Party - The club held their annual Christmas Party, hosted by long time club member Steve Padavana and his wife Bernie. Lots of food, drink and ZROC fellowship was shared. It's always a great event. MANY THANKS TO STEVE AND BERNIE!!

Volunteer Service – Some of the club members got together to give back to the community. On New Year's Eve we volunteered our time and helped the Faith Mission serve and clean up for the lunch time meal they serve to those in need. It's a great feeling giving back to the community.

Upcoming Events

February – Annual Meeting – targeting February 8th for this, location is TBD

The event schedule for 2025 is still in progress. Please stay tuned to our Facebook Page, website and emails for updates on this. It will be shared once completed

RAN WHEN PARKED

The club web site (and associated PayPal links) has now been updated so it's easier than ever to renew your ZROC membership. When doing so please be sure to fill out the member information form so the club has all of your latest contact information (we especially need your email address, phone numbers are nice to have as well) Members can always stay up to date on upcoming and previous club events by liking and following ZROC on our Facebook page.

Please be sure to contact any of the board members with any questions or suggestions.
