IN MEMORY

About 1 week after our Annual Dealer Heritage Drive, we lost a great friend to the club. Tim Spires was the CEO for both Buckeye & Georgesville Nissan Dealerships in Columbus. Tim was a great friend to the club, a true Nissan enthusiast and a fantastic person. His friendship, mentorship and wonderful personality will be truly missed.

RAN WHEN PARKED

Our own Scottie Wappenstein got his Z entered into the Hot Wheels show in Detroit and got his car (digitally of course) transformed into a Hot Wheels collectible.... VERY COOL SCOTTIE!!

ALSO OF NOTE...Ernie Lawson (one of the clubs founding members) lost his Z in an accident. Ernie and Mikki are both OK but, for the 1st time in almost 50 years Ernie does not have a Z. He's looking so if you see something interesting...Help a brother out and send it his way.

Please be sure to contact any of the board members with any questions or suggestions. Members can always stay up to date on upcoming and previous club events by liking and following ZROC on our Facebook page.
